Majors in Accounting, Economics (Business), Finance, Management, Management Information Systems, Marketing, Real Estate, and Supply Chain Management in the College of Business Administration have the option of receiving secondary teaching licensure to teach high school business courses. A student may complete this option by taking the required licensing courses as general university electives. This will expand the student's program beyond the normal eight semesters. Specific licensure requirements and information about this expanded career option may be obtained from the Department of Management office.

For Endorsement in grades 5-12 Business-All [accounting, business communication, business law, economics, entrepreneurship, finance, general business, information technology, management and marketing]:

Additional endorsements are available in Economics and/or Multi-occupations - coordinating coop programs.
